### **RESOLUTION OF THE COMMONWEALTH TRANSPORTATION BOARD**

**June 21, 2007**

#### **MOTION**

**Made By: Mr. Davies    Seconded By: Mr. Bowie    Action: Motion Carried, Unanimously**

#### **Title: Statewide Abandonments and Discontinuances and Transfers in the Primary and the Secondary System of State Highways**

**WHEREAS**, the projects listed below, by construction district, relocated segments of existing primary and secondary system roadways to new alignments, causing the segments identified to be

- (a) no longer necessary as public roads, since a new road serves the same citizens as the old,
- (b) no longer provide a public convenience that warrants maintenance at public expense, or
- (c) transferred to the secondary system of state highway as those segments no longer meet criteria to be part of the primary system of state highways; and

**WHEREAS**, the abandonment of a road extinguishes the road as a public way, eliminating the need for VDOT to maintain the segment described and enabling the conveyance of surplus right of way by the Board or the local government, according to the ownership of the underlying fee title; and

**WHEREAS**, secondary roadways that no longer provide sufficient public convenience to warrant maintenance at public expense may be discontinued by the Board, pursuant to §33.1-150, *Code of Virginia* 1950, as amended, causing such roads to remain public roads under the jurisdiction of the local road officials; and

**WHEREAS**, when construction of a new road causes certain roadway segments to no longer meet the criteria to remain a part of the Primary System, those roads may be transferred to the secondary system of state highways maintained by the Department, pursuant to §33.1-35, *Code of Virginia* 1950, as amended;

**NOW, THEREFORE, BE IT RESOLVED**, that the roadway segment identified below and depicted on the sketch for project 211-563A, is hereby ordered abandoned as part of the Primary System of State Highways, effective this date, pursuant to §33.1-148 of the *Code of Virginia*, 1950, as amended.
